

NUKI POWER PACK

DATA SHEET

POWER UP YOUR SMART LOCK

We've got a true powerhouse in store for your Smart Lock – the Nuki Power Pack. Get up to 100% longer battery life – up to 12 months – with this rechargeable battery pack. Charge the battery of your Nuki Power Pack using one of the integrated USB Type-C ports. Overnight or whenever it suits you. On the bedside table or directly on your door. Changing batteries is now a thing of the past.

ADVANTAGES:

- Longer-lasting power for the Smart Lock with a rechargeable battery pack
- Up to 100% longer battery life compared to alkaline batteries
- Simple retrofitting possible
- Compatible with Nuki Smart Lock and Nuki Smart Lock 2.0
- Battery changes no longer required
- Rechargeable via USB-C – wherever and whenever suits you
- Precise overview of the battery charge level in the Nuki app
