The promoter is Nuki Home Solutions GmbH, Münzgrabenstraße 92/4, 8010 Graz, Austria, (mentioned below as „Nuki“).

## 2. PARTICIPANTS

All participants must be over 18 years of age. They must act as commercial buyers and have to identify as these on demand. (Proof of VAT number)

Distributors and resellers are excluded from this promotion.

## 3. TERMS AND CONDITIONS

This promotion only applies to purchases made in the Nuki Online Shop within the campaign period between 1 January 2024 and 1 January 2025. The order must include a Nuki Smart Lock and exceed the minimum order value of € 240 (incl. VAT). Nuki reserves the right to extend the campaign period at its own discretion.

After installing the Nuki Smart Lock and setting up your Nuki Web account, you can assign permissions to anyone you wish using the Nuki app or Nuki Web. The customer qualifies for cashback by granting qualified access permissions. It should be noted that access permissions are only deemed to be qualified and counted towards the award levels once they have been used for the first time (to open or close the Smart Lock) through the receipt of the invitation. Please see the table below for the number of permissions to be assigned and the associated cashback amount:

## 4. BONUSES CASHBACK CAMPAIGN

It is therefore not possible to apply for a premium for one level first and then for another premium level at a later date. In this case, the payout level submitted first shall apply.

If the premium level is reached, please contact us using the contact form. The application can only be submitted online. Once the application has been successfully reviewed, you will receive an email confirmation and the exchange bonus will be transferred to the specified bank account within 90 days. Payment in cash is not possible.

Bank account details must be provided (bank name, account holder, IBAN and BIC) for the purposes of transferring the cashback.

Additional details, such as the Nuki ID, are located on the back of the Smart Lock and can also be found in the connection status screen under "Smart Lock ID". The Nuki Web ID is the registered email address that was entered to use Nuki Web.
